XRDP installieren

Xrdp installieren

The only package you need is xrdp, which you should enable after installation.

```
sudo apt update
```

```
sudo apt install xrdp
```

```
sudo systemctl enable xrdp
```

```
sudo systemctl restart xrdp
```

Zeitzone ändern

verfügbare Zeitzonen auflisten

```
timedatectl list-timezones
```

Zeitzone Setzen

```
sudo timedatectl set-timezone Europe/Copenhagen
```

Zeitzone überprüfen

```
timedatectl
```
