

Update Ubuntu Distribution

Um die Distribution von Ubuntu von einem 20.04 auf 22.04 upzudaten

```
## view current version ##  
lsb_release -a  
  
## install new version ##  
apt update  
apt upgrade  
apt dist-upgrade  
apt autoremove  
apt install update-manager-core  
do-release-upgrade
```
